## Action Plan and Budget Tracking

<i>Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement.</i>			Percentage of total allocation:
Intent	Implementation	Impact	%
For all children to receive high-quality PE lessons, reflecting the requirements of the National Curriculum.	Purchase and Review current PE scheme that promotes high standards.  PE Lead to liaise with the company and provide appropriate CPD for staff in using the scheme.  PE Lead to observe lessons, to assess the effectiveness of the planning scheme.	£1,6701.00   A staff survey found that 100% of class teachers believed that a new planning scheme would be beneficial to the delivery of their PE lessons.  All class teachers that teach their own PE lessons attended the inset and as a result, are able to follow and utilise this new scheme.	All staff have said that they wish to continue using this scheme.  It will be purchased again next year.  Assessments will be created, linked to this resource, so that we can track children's knowledge and understanding in PE in a central location.

			PE Lead believes that all lessons now follow the same, clear structure, with a focus on skill development. Meaning that the profile of sport is strong in the school, based on PE lessons alone.	Target groups of the bottom 20% and top 20% of learners can be more easily identified, meaning that the G&T children can be stretched and those behind can be worked with, meaning that the profile and standard of PE in the school will be extremely high.

<b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>				Percentage of total allocation:
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	<b>%</b>
To assist teachers with the delivery of PE lessons (eg team teaching or assisting)	Action – Employing additional staff to help with the delivery of PE lessons	£3,960.00	Teachers have felt more confident with the delivery of PE lessons.  Extra adults mean that more pupils have been targeted during lessons (eg bottom and top 20%) to ensure challenge or assistance.  This has helped with the year 6 show (dance coaching).	This has helped raise staff confidence in teaching, meaning that when this extra staffing is removed, teachers will still be equipped with teaching ideas and knowledge to deliver lessons.  As mentioned, additional staffing has meant that target groups have been targeted. This will positively impact our assessments at the end of the year.

<b>Key indicator 4: Broader experience of a range of sports and activities to all children</b>				Percentage of total allocation:
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	<b>%</b>
To experience high-quality dance and fitness sessions to promote confidence, skills and abilities (link to performing arts and speech and language).	Utilising Wendy Coulson to provide specialist dance coaching for half a day a week covering all year groups in addition to time we already purchase.	£2,560.00	Pupil surveys have shown that this has been a PE highlight of the year in nearly all classes (over 90%).	The popularity of this coaching will continue next year.  The high numbers taking part in dance outside of school

<p>To broaden the range of sporting activities available for children during break times.</p>	<p>All children from reception to year 6 to receive 6 weeks of specialist coaching.</p> <p>Basketball equipment to be purchased and installed into the KS2 playground.</p> <p>Research different facilities that can be added to our playground areas.</p> <p>Liase with children and staff to the types of facilities they might enjoy.</p> <p>Ask the children what clubs they would like to attend, cheer leading, gymnastics etc.</p>	<p>£3,000.00</p>	<p>This has encouraged children to take part in dance on an extra-curricular basis.</p> <p>Observations by PE lead show that this equipment has been used every playtime.</p> <p>Positive impact on FMS and GMS recognised by year 1 teachers since the introduction of the equipment.</p> <p>Children have expressed their love for this equipment and have said that their playtimes are now more active.</p> <p>Pupil surveys have highlighted that children now want to experience more basketball in curriculum time, as a result of the new equipment.</p>	<p>hours demonstrate the positive impact this is having upon our pupils.</p> <p>Lunchtime clubs to be set up for KS1 perhaps to engage as many children as possible.</p> <p>All equipment to be maintained next year.</p> <p>Equipment to be utilised in PE lessons and during break times next year.</p>
<p>To provide an experience for children to attend and be involved in live sports.</p>	<p>Link to be made with MK Dons.</p> <p>Liase with MK Dons to provide specialist coaching lessons during curriculum time.</p>	<p>£1,000.00</p>	<p>A large proportion (over 80%) of children who received this specialist coaching said it was one of their highlights of the year and they gained a lot more experience and skills in the sport of football.</p>	<p>Links to be strengthened even more next year.</p> <p>In school coaching to continue next year, with a different cohort of children, trying to access as many children as possible.</p>

	<p>Liaise with regards to making game tickets available to children and parents outside of school time.</p> <p>Publicise the availability of tickets in school newsletters and texts, ensuring that as many children as possible have the opportunity to watch live sport at a much reduced rate.</p>		<p>Many members of the after school club formed our school football teams.</p>	<p>Tickets to still be offered out.</p> <p>Next steps – look into a tour or trip for PE, a visit to MK Dons and Wembley.</p>
