

## Transport week

This week we will be looking at different types of transport and how people can travel.

You can use the internet to show children different types of transport. You can create role play for a train station or an airport.

You can create a tally sheet for your child to count the number of different types of vehicles and they could add a mark for each they see. Add them up at the end of the day, week etc. and write the number. An example can be seen below

Type of transport	An image of the transport	Tally
Car		
Train		
Lorry		
Van		
Airplane		
Hot Air Balloon		
Helicopter		
Boat		

Stories and songs online which are really lovely for this topic are:-

Dump truck Disco [https://www.youtube.com/watch?v=OLc8\\_B2n\\_Fg](https://www.youtube.com/watch?v=OLc8_B2n_Fg)

Up, Up, Up [https://www.youtube.com/watch?v=Lrd0TiER\\_J0](https://www.youtube.com/watch?v=Lrd0TiER_J0)

Magic Train Ride <https://www.youtube.com/watch?v=8eSxrPzoZYO>
