

Read Write Inc. Get Spelling

Read Write Inc. Spelling is a 15 minute-a-day programme for children in Years 2 to 6.

It is designed for children in Years 2 to 6 who can read accurately, with increasing speed. With 15 minutes of daily teaching, children develop confident spelling.

Using a proven approach underpinned by phonics, fast-paced lessons and an online subscription, Read Write Inc. Spelling prepares children for the higher demands of the statutory spelling assessments in England.

Although the teaching of phoneme-grapheme correspondence underpins this programme, it also develops children's knowledge of word families, how suffixes impact upon root words, and provides mnemonics to remember the trickiest spellings.

The teaching revolves around instruction, partner and group practice, and competitive group challenges that help children commit new words to memory.
