Dear Parents/Carers

We wanted to update you on what we have been doing. We have:

- 🌍 Visited the Urb Community Farm in Wolverton on Tuesday 7th November to get ideas on starting a community garden at school after Christmas
- 🌍 Monday 13th November we planted 62 trees at Middleton Park, see pictures attached
- 🌍 We have a rota for litter picking every other day. Mrs Jones does not have to remind us we just go and get on

- 🌍 After much discussion we have decided not to do our Christmas Tree and baubles because we know the children love giving each other Christmas cards – it is part of the magic of Christmas! You can send your cards in after Christmas and we will recycle them for you

- 🌍 We have ordered a large bin to recycle crisp packets
- 🌍 We are trying out road signs to see if it makes a difference to our parking situation. If they are successful we shall purchase them. You can let us know what you think

WE ARE WORKING VERY HARD TO HELP SAVE OUR PLANET

Thank you for all your support.
