

# Eco Council Newsletter

Dear Parents/Carers

We are writing to you to introduce ourselves. We are the new Eco Council and are enthusiastic to ensure we all play our part in saving our planet. This term we have 3 initiatives:

1. Recycle old/preloved clothes
2. Ensure our school is litter free
3. Restricting the use of plastic

We raised **£193** by your donations of preloved clothes. When we decide how we are going to use this we will let you know.

We have organised a litter picking rota for this term. Please don't worry, we have gloves and litter pickers so we are not actually touching any litter. We also always wash our hands afterwards.

We are trying to ban plastic from school. The teachers no longer use plastic cups for the water dispenser. We know you as parents were asked to use reusable plastic pots for sandwiches and fruit at lunchtime. This week we are writing to our hot meals provider to ask them not to use plastic for packed lunches.

Events for this coming term include tree planting 13<sup>th</sup> November at Middleton, poster competition, raising awareness about recycling and reducing waste so everyone at school is involved. Mrs Lighthill collects crisps packets and sends them to Terracycle.

We also hope to visit the Waste Recovery Park this term. We are waiting for a confirmation of a booking.

**Please try and support us in saving our planet**

**“When you realise that HEART and EARTH are spelled with the same letters it all starts to make sense”**

*Thank you*
