

*Zoom up to the leaf and back around the apple. Then slide down and end with a flick.*

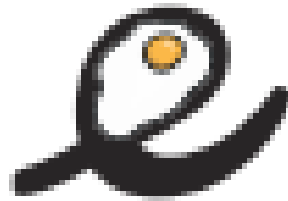

*Up to the top of the boot and all the way down. Go half way back up and whisk around the toe to the heel. Go back across the bottom and end with a flick.*

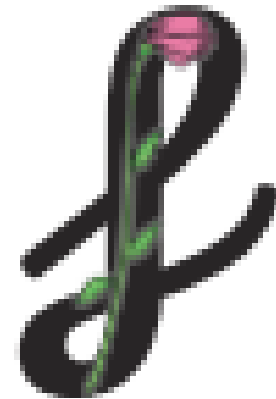

*Curl up and over to the caterpillar's head. Slide all the way around to his tail.*

*Climb up on the dinosaur's back then slide around to his feet. Zoom up to his head then back down and end with a flick.*

*Slide up and make a loop to put the fried egg in. Cut back down with a flick.*

*Fly like a bee to smell the flower at the top. Then buzz straight down to the bottom. Make a loop and cross over the leaves.*

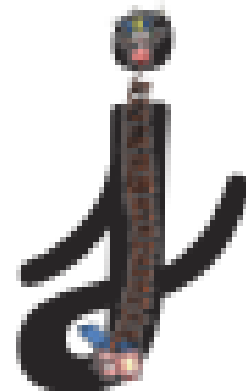

*Go up and over the top of the girl's head, then back around her face. Slide all the way down her long plait and make a loop.*

*Climb up to brush the horse's head and brush down to his hooves. Go up to brush over his back and all the way to the end of his tail.*

*Move up the insect's long leg to his head. Then go back down his body and across his other leg to make a flick.*

*Pop up to the jack-in-the box's head. Bring! Move down the long spring to the box and make a loop back up again.*

*Jump up to the kangaroo's head and down to the bottom. Bounce back up to his tummy. Make a loop down his leg and add a big kick along his tail.*

*Slide up to the top of this long leg, then straight back down to the foot. End with a flick.*

*Climb up and over the first mountain. Then go up and over the next one and end with a flick.*

*Zoom up to the goalkeeper's head and then down to his boots. Go up to the top of the net, across the top and down the other side. End with a flick, like a footballer's kick!*

*Curl up to the top of the orange and then curve all the way back around to the top. Add a flick.*

*Fly up to the parrot's head and then move down to the bottom of his feathers. Go up and around the pirate's head and slide across the bottom with a flick.*

*Move around the Queen's face to the crown on top of her head. Slide back around her chin and all the way up to the top. Then slide straight down her long hair and make a short straight kick.*

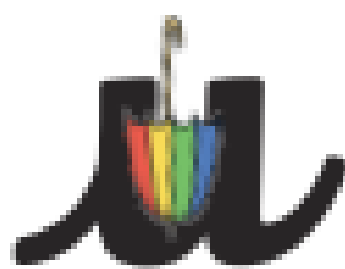

*Roll up to the robot's head and all the way down to his wheels. Now go up and over his reached out arm.*

*Slide up and over to the snake's long tongue. Watch out! Slide all the way round to his tail and then across the bottom to make a flick.*

*Climb straight up to the top of the tower and then straight back down again. Don't forget to add a flick at the bottom and cross the turrets.*

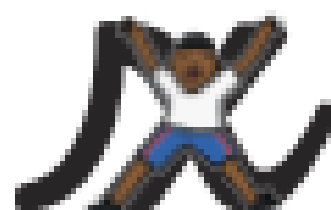

Move up to the top of the line and then make a curve around the umbrella. Go back up to the top and down to make a flick.

Fly up to the tip of the vulture's wing. Sweep down and back up to the tip of the other one. Add a flick at the end.

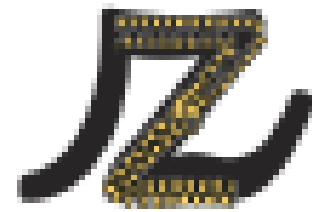

Wiggly worm! Go up to his tail. Then wiggle down and up; then down and up again to his head. Add a flick at the end.

Zoom up to this strong boy's hand and then move down and across to his foot. Take your pencil off and start on his other hand. Zoom down and across to his other foot.

*Move up to the top of the yak's horn. Then slide down and up to the top of the other horn. Slide down to the bottom and make a loop past his head.*

*Zoom up to the top of the zip and unzip it all the way to the end!*
